

We Love Students
2 Timothy 1:7

Central Truth: We have received the Holy Spirit who propels us to live boldly, lovingly and sensibly.

1. Believe Boldly

2. Give Lovingly

3. Pray Sensibly

Application: Let us love the next generation fanning the flame of the Spirit in their hearts.

In order to do so,

- I will pray for the next generation and the student center project
- I will speak words of encouragement to children and students
- I will volunteer to serve in our student or children's ministry
- I will give financially for the student center project**
