

**Obedience**  
**Nehemiah 10-11**

Where does repentance lead? What follows repentance?

**When God's people repented of their sins they committed to \_\_\_\_\_  
God's Word in \_\_\_\_\_ specific areas.**

**1. We will not be \_\_\_\_\_ the \_\_\_\_\_ "...separated themselves..." (28-30)**

**2. We will not be \_\_\_\_\_ own \_\_\_\_\_ "...the Sabbath..." (31)**

**3. We will not \_\_\_\_\_ God's \_\_\_\_\_ "...we will not neglect..." (32-39)**

Three important principles of God's plan for the support of his work:

- P \_\_\_\_\_
- P \_\_\_\_\_
- P \_\_\_\_\_

**Response:**

1. How did God speak to you today?
2. How will you obey Him this week?
3. Have you trusted Christ as your Savior and Lord?
4. Who are your five?

**Discussion questions at home:**

1. What areas of obedience do God's people need to consider today?
2. What do believers struggle with the most during this time?
3. As a family how can we show that we are different because of Jesus?
4. What specific things will your family do this week in obedience to God?
