

A Spiritual Marriage Ephesians 5:21-33

Marriage is a relationship between a husband, a wife and Christ, which gives witness to the gospel. Marriage for the Christian is spiritual because it is,

- 1. A Lasting Bond (*Three Strands*)**

- 2. A Loving Union (*One Flesh*)**

- 3. A Living Testimony (*Two Entities*)**

Response:

- As a married person, how can I grow in order for my marriage to honor God, my spouse and the gospel?

- As a single person, how can I grow in order for my singleness to honor God, my relationships and the gospel?
