

The Target **Psalm 127**

1. God Governs it All – *Trust Him Fully*

2. Parents Guide by Grace – *Rest Confidently*

3. Children Go toward the Target – *Aim Purposefully*

Central Truth: God is sovereign over our families and invites us to participate with him in his purpose.

Application: Participate in God's providence by pointing children as arrows toward his purpose.

What does God want to do in my life today?

How will I trust and obey him now?
